

# RIDING A BIKE THROUGH THE TIME OF COVID-19

For more information: [www.VeloHospitality.com](http://www.VeloHospitality.com)

Choose a road or path for your skill level

Bring tools, spare tube, patches, pump, bell & lights

Carry water bottle, snacks, first aid, phone & emergency pickup information

Avoid group riding except household members, distance at stop signs & lights

Bring a mask to wear in shops or when riding

Hand sanitizer for germs plus it cuts bike grease

Make eye contact with other riders and motor vehicle drivers

Say hello to people you see & thank drivers who give you space

Smile and give a virtual hug to people you meet
